\* The last named person had no usual place of abode.

On account of incorrect information, the names of four persons were not taken, but it was afterwards found to be correct them in the proper places that they should have been included in it. Families numbered 41, 142, & 159, & were inserted in notes at the bottom of the pages on which those families were recorded.

I. H. Springe  
Sept. 10th 1850
